CREACT  **MED**

CREATIVE MEDITERRANEAN

Co-Funded by the European Union
بتمويل مشترك من الاتحاد الأوروبي

Are you a creative MSME based in Jordan with an idea ready to launch or expand?

CREACT4MED, an EU-funded project which aims to strengthen businesses within the cultural and creative industries, offers **direct funding to launch or expand cultural and creative businesses in Jordan** that have a high potential to generate innovation and jobs, in particular for young people and women.

The **overall objective** of the CREAT4MED funding scheme is to support selected MSMEs active in the cultural and creative industries to overcome barriers to business development and market access, harness innovation, technology and creativity to improve business operations, and to increase their capacity to create jobs for young people and women.

The **specific objectives** of this call are:

1. To facilitate the development, launch, promotion and improved access to local and international markets of innovative business ideas in the cultural and creative industries through the provision of funding and technical assistance services.
2. To foster social inclusion and create job opportunities, particularly for women and young people, in the provision or preservation of cultural and creative goods, products or services.
3. Create a hub to support young people and women involved in CCI entrepreneurship within the target countries, bringing together incubation, support, education, finance and other actors.

What's in it for entrepreneurs

Successful applicants to this call will benefit from:

- A sub-grant of up to EUR 15,000 in order to implement their project proposal
- Technical Support Services implemented by [CREACT4MED incubators](#)
- Networking opportunities offered through the Mediterranean CCI HUB
- Visibility through the project's website, events and other initiatives

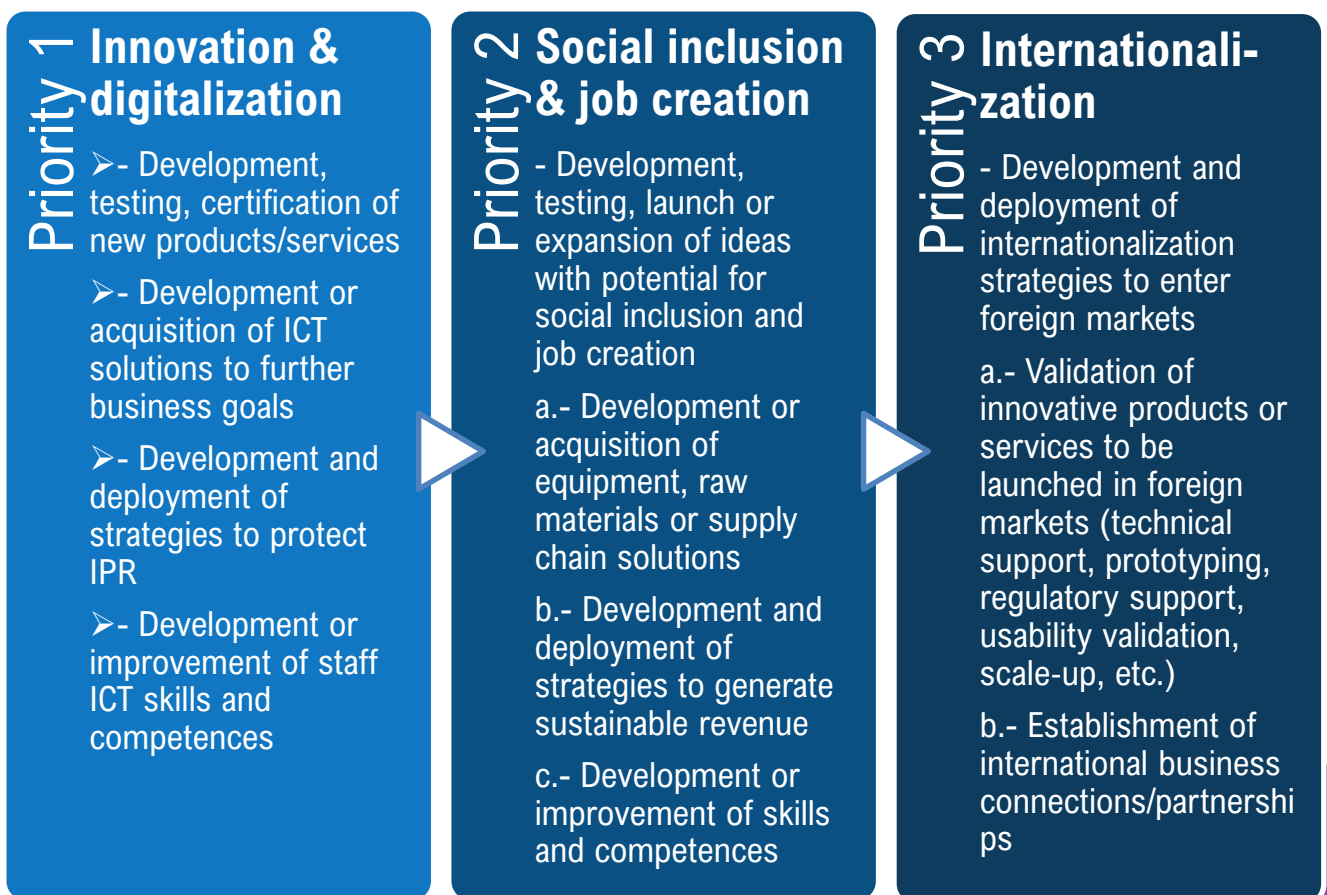

Who can apply?

This call is open to MSMEs based in Jordan active in the cultural and creative industries (CC). The following conditions must be met to be eligible for funding:

- Be a legal entity registered in the commercial registry of Jordan after 2012. Unregistered entities are welcome to apply to this call, but will be required to commit to registering before any funds can be transferred.
- Be a micro, small or medium-sized enterprise according to Jordan's legal definition: have fewer than 200 employees.
- Be active in the cultural and creative industries.
- Be registered to the CREAT4MED Community Platform.
- Be directly responsible for the preparation and management of the action, not acting as an intermediary.

Indicative eligible activities

Proposed activities should have a maximum duration of 8 months and fall into one or more of the following priorities:

Further details on the eligibility of applicants, activities and costs are provided in the Guidelines for Applicants.

Technical support services

Successful applicants will benefit from incubation services offered by [TTi](#):

- **Objective:** The incubation program aims at assisting 10 women entrepreneurs working on the cultural and creative industries in validating their business model, prototypes, products and MVPs through a series of support services including mentoring, training, business linkages and access to finance with the final goal to grow their start-ups, complete some sales cycles and increase revenue.
- **Indicative start date:** October 2022
- **Duration:** 3 months

Application process

Application to this call for proposals comprises the submission of:

- (1) Application form and Proposal outline, including 1) a signed declaration of honor on exclusion criteria and 2) selection criteria and a de-minimis self-declaration
