MED CCI HUB EVENT – 26th and 27th June via online platform RM Digithon

The MED CCI Hub aims to facilitate the exchange of ideas and opportunities among the different CCI stakeholders of the Mediterranean region.

This event will provide a space for dialogue where experts, and practitioners, along with other stakeholders and cultural and creative actors, will discuss and identify the best ways to create a productive and sustainable environment for the development of cultural and creative entrepreneurs & industries with the aim of supporting the dynamisation of the community, the engagement of new players and the generation of new connections and opportunities for members. The event will include speed networking, workshops, roundtable discussions, and CCI-specific seminars.
